

We Are Head Start

60 years since 65
60 Head Start years we've thrived!
60 years since 65
60 Head Start years we've thrived!

There's a place that I know
A place we love to go
Where families thrive
Children learn and grow
See the light in their eyes
Each day a new surprise

Joy in our heart
We are Head Start
There's a joy in our Heart
We are Head Start
There's a joy in our Heart
We are Head Start

From teacher to child
From Coast to Coast
It's a circle of love
When we need it the most
See the light in their eyes
Each day a new surprise

Joy in our heart
We are Head Start
There's a joy in our Heart
We are Head Start
There's a joy in our Heart
We are Head Start
